

1 E. Main Street

AT FOUSHEE MEWS

-  3 Bedrooms
-  3.5 Bathrooms
-  2350 Square Feet
-  2 Car Garage

\$789,900

This end unit Davenport is a 3-story luxury townhome with a wrapped front porch and plenty of opportunity to personalize this new home floor plan to fit your lifestyle. On the first floor you will find your rear load 2-car garage, as well as a bedroom and full bath. Head on up to the second floor where you will find dual primary bedrooms with walk-in closets and an Ultimate primary bath, as well as your Laundry Room for added convenience! Make your way to the top floor and you'll see what's really unique about this plan – your Kitchen, Dining, and Family Room are all up here, as well as your covered terrace. This is the perfect space for entertaining or enjoying a relaxing evening in! There is an elevator rough-in and under cabinet lighting in the kitchen as well.
